Broom Valley Community School

Our Client: Based in Rotherham, South Yorkshire, Broom Valley Community School is a junior school aiming to create a learning-centred school that nurtures the talents of all its pupils.

Their Brief: The toilets in the junior area of the school were due to be refurbished and needed to be suitable for the younger pupils as well as easy to clean and maintain.

Our Solution: Our lower height SanCeram Shenley 350 Toilet Pan was the perfect solution. Coupled with our hardwearing SanCeram Chartham Basins, to ensure that both practicality and durability needs were met.

Products:

- SanCeram Chartham Semi-Recessed Basin
- Deva Pair of Short Lever Basin Taps
- SanCeram 1 ¼" Strainer Waste, Slotted
- SanCeram Shenley Back to Wall 350 Toilet Pan
- Tyde Concealed Dual Flush Cistern with Lever

The Contractor: Sanderson Building Services Ltd

"We are very happy with the SanCeram sanitaryware items provided. In particular the low height toilets as they ensure that the children, especially the early years can use them independently and comfortably." **Helen Johnson, School Business Manager.**

Robert Smillie Memorial Primary School and Nursery

Our Client: Robert Smillie Memorial Primary School and Nursery was built in 1957 in South Lanarkshire, Scotland. With around 300 primary and nursery pupils, they aim to provide the very best curriculum and facilities to all their students.

Their Brief: The nursery extension required sanitaryware that would be suitable for younger children, taking in to account ease of use and accessibility. All taps needed to be supplied with copper tails to meet Scottish regulations.

Our Solution: Our SanCeram range was specified for this project, including our Shenley range which is ideal for nursery age children and our Chartham range which offers excellent quality and value for money.

Products:

- SanCeram Shenley Back to Wall 350 Toilet Pan
- Tyde Concealed Single Flush Cistern with Palm Push Button
- SanCeram Chartham Wall Hung 450 Basin with SanCeram Basin Mounted Self-closing Mixer Tap
- SanCeram Chartham Beyond Back to Wall Rimless Toilet Pan
- SanCeram Chartham Cleaners Sink with Deva Lever Action Bib Taps
- SanCeram Close Coupled Doc M Packs

The Contractor: BPS Group (Blantyre Park Services Ltd)

"I have been delighted with the service provided by The Sanitaryware Company from enquiry through to delivery. My Project Manager went above and beyond to ensure the order was correct and happily accommodated any alterations along the way."

Craig Mcmanus, Project Manager, BPS Group.

Manchester Secondary School

Our Client: We were delighted to supply the sanitaryware products to SJT Building & Joinery Ltd to a recent secondary school project in Manchester.

Their Brief: Hygiene and durability were top of the agenda, alongside providing sanitaryware that looked good, so it would encourage pupils to respect their surroundings.

Our Solution: Our SanCeram Chartham Beyond and Langley ranges were selected for the school, with the added benefits of water saving technology.

Products:

- SanCeram Chartham Beyond Back to Wall Rimless Toilet Pan
- Tyde OSMO T1 Concealed Cistern paired with the Drift Pneumatic Push Plate
- SanCeram Langley Concealed Trap Urinal Bowl
- SanCeram Basin Mounted Self-closing Mixer Tap

The Contractor: SJT Building & Joinery Ltd

Stanborough School

Our Client: Stanborough School, Hertfordshire is a Secondary Academy and 6th Form for over 1000 pupils aged 11 to 18.

Their Brief: Provide stylish sanitaryware for their new Drama and Teaching blocks that would be hard wearing, reliable and easy to clean.

Our Solution: Our SanCeram Chartham range was chosen due to its high quality, durable and easy to clean nature suitable to withstand the daily uses of a school environment.

Products:

- SanCeram Chartham Back to Wall WC
- Tyde Concealed Dual Flush Cistern with Square Button
- Aquarius Wall Mounted Stainless Steel Sensor Tap
- SanCeram Chartham Fireclay Cleaners Sink
- SanCeram Close Coupled Doc M Pack

The Contractor: NCC Mechanical Services Ltd

Cottenham Village Hall and Nursery

Our Client: A brand new, fit for purpose Village Hall and Nursery in Cottenham, Cambridgeshire.

Their Brief: Provide the Nursery with age appropriate sanitaryware and the Village Hall with high quality, durable sanitaryware that will be easy to clean and maintain. Both to be delivered in a quick turn-around to meet install dates.

Our Solution: Our younger years SanCeram Shenley range was chosen alongside our Chartham range. Both are hardwearing and durable, ready to stand the test of time.

Products:

- SanCeram Shenley children's Back to Wall WC
- Tyde Concealed Dual Flush Cistern with Square Button
- SanCeram Chartham Semi Recessed Vanity Basins
- SanCeram Basin Mounted Self-closing Mixer Tap
- SanCeram Chartham Rimless Back to Wall WC
- SanCeram Close Coupled Doc M Packs

The Contractor: Sotham Engineering, Cambridge Office

Leventhorpe Academy

Our Client: Established in 1965 Leventhorpe Academy is a School and 6th Form for students aged 11-19, with over 1200 students.

Their Brief: The brand new Performing Arts block and the Sixth Form Centre required sanitaryware that was not going to only look good but also to be strong and durable to withstand constant use.

Our Solution: Our SanCeram Chartham range was chosen to meet the challenge, a range that always delivers on style and durability with a budget friendly price tag.

Products:

- SanCeram Chartham Rimless 450 Back to Wall Toilet Pan
- SanCeram Chartham Rimless 480 Back to Wall Toilet Pan
- Tyde Concealed Dual Flush Cistern with Square Button
- SanCeram Chartham Fireclay Cleaners Sink
- SanCeram Close Coupled Doc M Pack
