

Healthcare Sink

Product Description:

A single bowl sink with left hand drainer manufactured from 304 stainless steel. The unit is turned down on all four sides with no overflow and no tapholes.

The wall mounted unit is supplied with a cantilever bracket as standard or can be fitted with front support legs (as per the image). The edges are rimmed and turned down, and the underside is sound-deadened with smooth, impermeable, easily to clean material.

Supplied complete with a 38mm 1.1/2" BSP flush grated waste fitting.

Complies with HBN 00-10 Part C (previously HTM64)

Standard Variations:

SSSTA0THL	1200 x 600 single bowl with left hand drainer, no tap holes
SSSTA2THL	1200 x 600 single bowl with left hand drainer, 2 tap holes
